Dear Chairman and Commissioners,

**Our names are Sherry Sass and Carlton Baker.
We are customers of Epcor Water Company in
Tubac, AZ.**

**We are alarmed that the ACC is contemplating
backtracking on advances it has helped Arizona
make in improving energy efficiency. We urge
you to oppose the elimination of Arizona's Ener-
gy Efficiency Standards and any reopening of Ar-
izona's Energy Efficiency Rules. These stand-
ards work to lower utility bills for our neighbors
and ourselves, help make Arizona an affordable
place to live and work, and reduce pollution
from energy generation.**

**We sincerely hope you will do the right thing for
Arizona and our state's economy. We respectful-
ly urge you to continue to support the Energy Ef-
ficiency Standards adopted in 2010.**

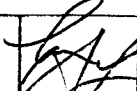

Thank you,

**Sherry Sass and Carlton Baker
